WE ARE GLAD TO INTRODUCE URU INDIA

In a country rich with handicrafts & traditional skills, Uru has been conceptualised to manifest inspirational images of India.

The products mirror the typical kitsch, charming and powerful symbols of our grand subcontinent, encapsulating a bit of quaint India. We at Uru India, develop our products working with artisans, individuals, SHGs from villages across the country. The USP of these products is that they carry little stories with them and this merchandise can be carried by travelers, expats, lovers of India, across the globe.
